Dear Mr Love

Welcome to another year of membership. Your team at FTA looks forward to supporting you with authoritative information, representation and a range of industry leading services to help ensure compliance, provide real peace of mind and aid efficiency.

With the many changes and challenges facing us in the industry, FTA membership has never been more vital to your business. I have pleasure in enclosing your certificate of membership for the coming year, along with a membership card with key FTA contact details.

Please find enclosed your membership invoice for the coming year and if you have any questions regarding your membership or wish to discuss any of the services on offer, please contact our membership services team.

Please don't forget that the Member Advice Centre (MAC) is always on hand to deal with any operational, legal or technical questions that you may have. In the last year your MAC has provided 30,000 answers to all manner of transport related questions.

The numbers you need are listed on the attached card.

We remain committed to making goods movement better and look forward to being of continued service.

Yours sincerely

David Wells  
Chief Executive
