## Environmental Policy Statement

Fairfax plant Hire Ltd is committed to leading the industry in minimising the impact of its activities on the environment.

### The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Provide environmental training and awareness to all employees.
- Meet or exceed all the environmental legislation that relates to the Company.
- Use an accredited program to offset the greenhouse gas emissions generated by our activities.
- Seek to minimise the use of energy, materials and natural resources.

These key points are defined and communicated as part of the companies Health, Safety, Quality and Environmental systems
